Blessings Ministry Partner!

First and foremost, I would like to say thank-you to all who prayed and partnered financially to make this trip happen. With you, we saw God do great things!

We ministered in 3 churches equipping them for prison ministry in their community. Had the honour of sharing in the Teen Challenge Thunder Bay chapel service and did three chapel services at Milner Ridge Correctional Centre in Beasejour, Manitoba, where we saw three first time decisions for the Lord.

The true test of any ministry is fruit so with this in mind three places where we ministered wrote a short testimonial of what happened when were there:

"I felt you were able to connect with guys in a unique way, where the rubber meets the road. In each of the services with the guys you carefully went through all the necessary steps the Lord used in becoming a mature, functioning Christian.

*Chaplain Faron Hansen,
Milner Ridge Correctional Centre,
Beausejour, Manitoba.*

"I just wanted to thank-you for coming to Thunder Bay. Your message here at "Elim Community Church" opened their eyes to the needs of people in prison life and also the needs of those going into prison ministry. It was a pleasure hearing your own testimony and how God is using "Refuge Ministries Canada" to reach the lost in the prison system. Keep up the great work for the kingdom."

*Pastor Kevin Peltomaki,
Elim Community Church,
Thunder Bay, Ontario.*

*Hey Alan,
We were blessed with you coming out and sharing at our Teen Challenge Chapel! Its always an encouragement to the students and the staff to see and hear from others who have been set free though the transformation power of Christ. It was encouraging to see you engage with the men in question and answer after you shared. The men asked a lot of questions, you can see that you had captured their interest. You are a great speaker!*

Blessings,
